NOMINATING CONVENTION IN FAIRFAX. -The Convention of Delegates to nominate a candidate for the State Convention for Fairfax county, met at the Court House, yesterday. R. H. Cockerille was called to the chair, and Thos. S. Lee appointed Secretary.

There was quite a large delegation attending, all the sections of the county being represented by delegates or proxies. It was resolved to go at once into the nomination, and the names of D. F. Dulany, Thomas Moore, Lewis Bailey, and M. D. Ball were presented. Messrs. Bailey and Moore declined positively, and upon the vote being taken Col. M. D. Ball was elected on the first ballot.

committee to wait on Col. Ball, and inform him offenders. of his nomination. This was done, and the nomination was accepted.

Messrs. James Sangster, W. R. Millan, and J. H. Barnes were appointed delegates to confer with delegates from Alexandria, to nominate a candidate for the two counties when a day shall be appointed, and on motion M. D. Ball was added to the number.

The meeting then adjourned sine die.

A., L. & H. R. R.-The Loudoun Mirror advocates the proposed extension of the Alexandria, Loudoun and Hampshire R. R., to Georgetown and Washington, by a stem from the main line "branching off from the main line five or six niles from Alexandria, making only five miles to Washington;"-which it says, "would make Loudoun the suburb of Washington," and which, "in addition to shortening the distance for persons travelling eastward, would at the same time, obviate the changing of cars, the uncertainty of water communication, and the many other annoyances and delays to which they are now subjected.'

. The Loudoun Mirror says: - There was a meeting of the Board of Directors of the A., L & H. Railroad, held in this town on Wednesday and Thursday of last week. The only business of interest transacted was the ratification by the Board of the purchase by the Company for \$50,000, of the State's interest in the roal, which originally cost her, we suppose, near a million of dollars. One-third of the purchase money is to be paid when the road

SECOND WARD RADICALS. - A meeting of the Radicals of the Second Ward was held last night at the house of C. W. DeWitt, presided over by Je Hawshurst. Speeches were made bp J. Hawshurst and C. W. De Witt, white, an Arthur White and Benj Blair, colored, a A while no definite action was taken, a di position was manifiested on the part of the Cab to claim and insist upon the choice of the majority, as the candidate for the State Convention. Hawkhurst was quite severe in his criticisms upon Whittlesey's rulings at the mass convention, and upon Millard's general course. DeWitt advised his colored friends as to their choice for a nominee for the convention, and recommended Hawxhurst strongly.

RADICAL MOVEMENTS -It is reported that several of those who have heretofore acted or co operated quietly, with the Radical party, in this place, have become so thoroughly disgusted with the proceedings which have been going on, for the last few months, and especially of late, among those who lead or are being lead in the Radical movements, that they have expressed their determination no longer to countenance such doings, or to acquiesce in what their sense and judgment tell them can only bring about mischief and evil to both white and colored people; and that this determination is not confined to white people alone. We O do not know that this is so; but, it would be o strange, indeed, if it were not so.

More Rowdyism. - It is announced in the newspapers that Friday last, Sam Collyer and Billy Kelly, of New York, signed articles to fight "a fair stand up fight, according to the new rules of the prize ring," to come off at some point in the State of Virginia, on Tuesday, the 26th day of November. The match is for \$1,000 aside, and will probably take place at a point near this city. A fight will take place in Virginia (probably near this city) in about three weeks. The contestants are Tommy Kelly and Billy Parkins in, both of New York. They fight at 112 pounds for \$500 aside. There are "Work Houses," both in Washington and Alexandria for the accommodation of such characters, and, we repeat, that the police should be on the alert.

WILD TURKIES - Several wild turkies, killed in the neighborhood, were brought to market this morning.

DEBATE IN THE COMMON COUNCIL. - In the Common Council on Tuesday night last there was a long debate on the proposition to make an appropriation for the purchase of hose | Special Dispatch to the Gazette ] for the Friendship Fire Company, which was participated in by J. B. Johnson, H. S. Martin, J. B. Smoot, G. W. Clifford, and Joseph Hopkins. The proposition was lost for want of the requisite majority.

O. & A. R. R.—The Lyrchburg News in copying the article from the Gazet'e, which was published a few days ago, says: - "We would only add that we have ourselves examined the statements alluded to below, as having been taken frem the books of the General Freight Agent, and find that there is no discrimination against the interests of Alexandria; on the contrary they are fairly and fully pro-

"TEMPORA MUTANTUR ET NOS," &c.-It a little remarkable that whilst but a few months ago George Tucker was "in full feather" with the Radical party, was one of their acknowledged leaders, and was voted for as their candidate for Mayor, he is now denounced by many of them "for everything they can lay their tongues to." Tucker is pretty wuch the same now as he was then-and why the change?

THE RADICAL NOMINATION. - At a meeting of the Arlington Radical Club, held last night, at Freedmen's Village, we learn that the nomination of C. Whittlesey, for the Convention, was repudiated, and a resolution unanimously | 548 Radical majority. adopted endorsing John Hawxhurst as their choice for the nomination. There were about two hundred colored members present.

TAKEN ON. -Michael Donovan and John Welch, arrested here a short time ago, charged with stealing a boat, wheat, &c., the property of a citizen of Maryland, were this morning taken in charge by Sergeant Crop, of the Bal timore police, who started with them for that city, where they will be tried.

ACCIDENT. - James Wood, employed at the Orange and Alexandria Railroad Depot, whilst engaged in painting the top of a car, this morning, was struck on the head by the framing of a passing locomotive, knocked off, and stunned. His injuries while painful are not considered

THE ELECTIONS.

WASHINGTON, Oct. 10.—The Cincinnati Commercial says over forty counties heard from leave Thurman with a majority of about 6,000. The remaining twenty-five counties, embracing several in the "Reserve," will certainly reduce these figures-whether they will overbalance them, and place the majority on the other side is a question which seems likely to be decided only by official returns. The Legislature appears to be hopelessly gone. The democrats gain seven Senators, probably, giving them a majority of one or two. In the House they gain eighteen members, making a majority of five or ten on joint ballot.

The Gazette says returns are still incomplete, and the election is very close, but the probability is that the Democrats have carried Loth Houses. The Governor is in doubt, but with a probability that Thurman is elected.

The Enquirer says we estimate Judge Thurman's majority at 2,169. The Legislature will stand, in the Senate seventeen radicals to nineteen democrats, and in the House fifty radicals to fifty six democrats.

PENNSYLVANIA. WASHINGTON, Oct. 10.—The Ledger's table includes fifty-nine counties, showing a democratic majority of 3,279. Seven counties remain to be heard from, which gave last year
